Dear Clerk.

RICHARD W. WIEKING  
CLERK, U.S. DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
COURT CLERK  
NORTHERN DISTRICT OF CALIFORNIA  
CLEVELAND, OHIO

I'm writing to you regarding my case # C 07-4989 ST, which I am still trying to serve defendants. I hope to get it done shortly. It's not easy because I must depend on the correctional staff to deliver the complaint to defendants. But as soon as I get them all out, I will notify you by letter.

I am planning on filing several motions with your court because I'm being denied access to witnesses and co-plaintiffs. There's no way that I could prepare everything with out their help.

The main witness is the female officer, she is not allowed to work in the (SHU) unit where I'm at, and I really need to discuss this with her.

Then my co-plaintiffs, here on the (SHU) they have a legal assistance program, but they only let us use it once and expect us to resolve everything just like that, yet atty. gen's office has access to their witnesses and defendants any time they want. So I need access to mine too.

also I really need to know if my co-plaintiffs filed their informa paupris?

Thank you for your time.

Rina P.
